**Boarding Students** who remain on campus during long holidays will be charged \$50/day in residence and \$100/day for overnight travel outings; those holidays are as follows: Thanksgiving (November– 8 days), and Spring Break (8 days in March or April)

Usually SBP can accommodate students during the Christmas holiday (19 days beginning with the last exam day): if so the charge for the Christmas holiday is \$75/day, \$100 for overnight travel days.

**The International Boarding/Tuition** fee covers one academic year (2 semesters, August –May) and includes all regular costs as follows: Tuition, Room and Board, Textbooks, Lab Usage and Misc. classroom materials, Regular U.S. transportation to/from airports and test sites.

**The Yearly Expense Deposit** will be held in an account for your student. This money is on deposit to cover expenses incurred by your student including but not limited to: Damage to dorm room, lost keys, health insurance, and extra boarding fees for holiday breaks. Any balance remaining at the time of graduation will be refunded to you. At the beginning of each school year we will require a deposit be made to the account to bring the balance back to \$2000.00. This account is not to be used for personal travel charges, incidental personal expenses, or school uniforms/supplies. **School Uniforms** should be purchased from Educational Outfitters. [www.educationalfitters.com](http://www.educationalfitters.com) Please see the uniform requirements listed on our school web site. [www.stbernardprep.com](http://www.stbernardprep.com) (*Student spending accounts, for incidental expenses, may be set up with our business office. Please contact Mrs. Price if you wish to set up an account for your student. We do not recommend that boarding students keep more than \$50 cash in their room.*)

**Medical Insurance** coverage is required for all SBP students. SBP will acquire a medical insurance plan for all international students, and will deduct the premium payment from your **Expense Deposit** account.
