New Director Appointed at Ave Maria Grotto

Abbot Cletus Meagher recently appointed Br. Marion Sanchez as the Director of Ave Maria Grotto following the retirement of former director, Bill

Originally from LaSalle, Illinois, Br. Marion professed his first monastic vows at St. Bernard Abbey on the Solemnity of the Assumption of the Blessed Virgin Mary, August 15, 2013. He is a graduate of St. Bede Academy in Peru, Illinois, a school run by the Benedictine Monks of St. Bede Abbey.

Br. Marion Sanchez

Before coming to St. Bernard he was in seminary studies for his home Diocese of Peoria, Illinois, and enrolled at The Immaculate Heart of Mary Seminary of St. Mary's University in Winona, Minnesota.

In addition to this appointment, Br. Marion will continue to serve as the Director of the St. Bernard Conference and Retreat Center. He will oversee these two organizations which are part of the hospitality tradition for which Benedictines are known.

"At first, I was a bit apprehensive about being the director of the Grotto, but now I find that I really enjoy serving in this capacity," said Br. Marion. "I especially enjoy the history of the place and having the opportunity to welcome the visitors from all over the world who come here. Most of them have no idea what to expect when they arrive and are

Excitement is building at St. Bernard in Cullman, AL, as everyone on campus prepares to showcase the 34th Annual Bloomin' Festival Arts and Crafts Fair scheduled for the weekend of April 21-22. Over 170

artisans will cover the grounds to sell their handmade works. St. Bernard Prep and Ave Maria Grotto will combine forces to host one of the South's favorite arts and crafts fairs.

Artisans from across the Southeastern United States will bring their creations of arts and crafts. Pottery, jewelry, birdhouses, artwork, yard art, furniture, clothing, toys, blown glass, painted signs, handbags, hair bows, woodcarvings, and freshly made fudge are just some of the items to be

found at this year's festival. Visitors can also enjoy watching kettle corn being popped in a huge outdoor pot, or stroll across the yard to observe local blacksmith, Allen Kress, forge plant hangers, towel racks and other

items. Just feet away from the Grotto, a mill will be grinding fresh cornmeal and grits which are so popular on southern tables.

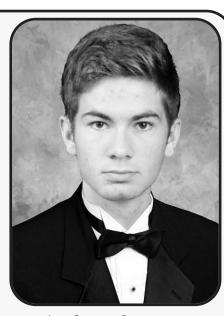

Along with the booths of the artisans, there will be large tents serving delicious concessions to include: fresh smoked chicken,

polish sausages, hamburgers, and all the fixings topped off with an icecold Pepsi or a cup of fresh squeezed lemonade. Deep fried funnel cakes have been a specialty for decades as are the hot strawberry waffles, and

National Junior Honor Society Members Inducted

Nineteen students in grades 7–9 met the requirements for membership outlined by St. Bernard Middle School's National Junior Honor Society Chapter and were inducted during a ceremony held in the Abbey Church on Wednesday, February 21, 2018

President, Nikolas Borths, introduced each student and confirmed that they met the required qualifications needed to become members of National Junior Honor Society – Scholarship, Service, Leadership, Character and Citizenship.

Borths began the program with a description of the guidelines for scholarship. At a minimum, each student must have a cumulative GPA of 85, B, 3.0 on a 4.0 scale, or equivalent standard of excellence.

Next, Alex Lewis reminded students of the qualities needed for service. This involves voluntary contributions made by a student to the school or community, done without compensation.

The standards set for leadership were presented by Kathleen George. Student leaders are expected to be resourceful, good problem solvers, and idea contributors. Leadership experiences can be drawn from school or community activities while working with or for others.

Qualifications for the standard of character were delivered by Madeline McBride. A student of good character is cooperative, demonstrates high standards of honesty and reliability, shows courtesy, concern, and respect for others, and generally maintains a clean disciplinary record.

Marianee Pichardo described the standard of citizenship. The student must understand the importance of civic engagement, have a high regard for freedom and justice, respect the U.S. form of government, respect the law for all citizens at the local, state, and federal levels, and demonstrate mature participation and responsibility in activities such as scouting, community

organizations, or school clubs.

Headmaster, Fr. Linus Klucsarits congratulated the newly inducted students as well as their parents. He recognized their achievements and encouraged them to keep being their best as they work toward their

goals.

Following the ceremony, a reception was held in the Brahma Room for the inductees and their parents.

SBP Cheerleaders Launch Shoe Drive Fundraiser

Raising Funds for Cheer Camp

St. Bernard Prep School
Cheerleaders are conducting a shoe
drive fundraiser from now until
April 24, 2018 to raise funds to
attend cheer camp. Cheerleaders
will earn funds based on the total
weight of the pairs of gently worn,
used and new shoes collected, as
Funds2Orgs will issue a check for
the collected shoes. Those dollars
will help send every cheerleader to

All donated shoes will then be redistributed throughout the Funds2Orgs network of microenterprise (small business) partners. Funds2Orgs works with micro-entrepreneurs in helping them create, maintain and grow small businesses in developing countries where economic opportunity and jobs are limited. Proceeds from the sales of the shoes collected in shoe drive fundraisers are used to feed, clothe and house their families. One budding entrepreneur in Haiti even earned enough to send to her son to law school.

Shoes must be new or used, any size or style, and in wearable condition. Cheerleaders are paid by the pound at the end of the fundraiser and then the shoes are sent to other countries where they

are used to help individuals start their own businesses.

"This is both a fundraiser and a service project for my girls," said Cheerleader Sponsor, Elicia Fallin. "I hope along the way they realize how blessed they all are and that it is their responsibility to try to help others who are less fortunate. The money raised will go towards camp and new signs and pom poms."

"We are encouraging everyone to do some closet cleaning and clear out those gently worn shoes that are taking up space. By doing so, we raise money for our cheerleaders at St. Bernard, and we have the chance to help families in developing nations who need economic opportunities. It's a winwin for everyone."

Anyone wishing to donate may drop off gently worn, used and new shoes at the following locations: Cullman County Sheriff's Office, St. Bernard Prep Administration Building, Sacred Heart Church and School in Cullman, Cullman EMS, and Journey Church in Eva, AL.

The discarded shoes will be given a second chance to make a difference in people's lives around the world.

Headmaster's Report

Fr. Linus Klucsarits, O.S.B.

It has been a great joy for me to become Headmaster of St. Bernard Prep School. I accepted this position in January when Mr. Dan Baillargeon left to take another position in New Hampshire. There has been quite a learning curve for me. I began working in the school full-time in September as Assistant Headmaster. Honestly, I was hoping for a year or two as assistant to learn as much as I could about the school operations. However, with Mr. Baillargeon's departure, I was asked by Abbot Cletus to take the reigns as Headmaster. I quickly learned we are blessed with so many outstanding students as well as dedicated teachers and staff. The transition has been smooth and the year has flown by. I would like to mention in particular the help of Mrs. Carrie Woods, Assistant to the Headmaster, and Mrs. Kelley Gentry, administrative assistant at the

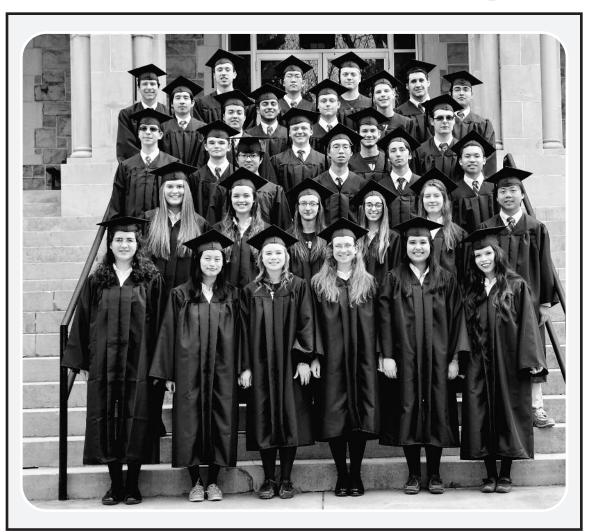

middle school. Their knowledge and patience with me in this new role has been invaluable.

Since taking over I have had the opportunity to meet with each of the teachers and staff individually. I have learned their vision for St. Bernard Prep and how we can improve our school. I also have observed all the teachers in the classroom and I am so impressed with the quality of the education provided at St. Bernard Prep. One of the many joys of this position is being able to attend sporting events and shows put on by our arts department. Again, I am so proud of the skill and enthusiasm shown by so many of our students.

Mr. Brendan Flannery, Director of Admissions, and I have been working to recruit new students to our school from across the nation and around the world. I have also been on a team to rework our website and our presence on the internet. Look for our revamped website coming this summer.

In the future I am hoping to continue the tradition of excellence at our school. The possibility of some new sports offerings, an expanded arts program, and some academic improvements are all in the works. I look forward to sharing these initiatives as they become realities.

Please continue to pray for me, our students, teachers, and staff. With God's help we can look forward to many more years of success at St. Bernard

"Just reviewing the comments recorded in our registry, many visitors, who have visited the Holy Land, leave comments about the beauty, uniqueness and accuracy of the miniatures built by Br. Joseph. This is especially amazing since Br. Joseph never visited the Holy Land but only had pictures to help him envision his creations," Br. Marion continued

"As we prepare for Easter, many people who visit the Grotto at this time of year often leave comments in the registry about the section in the Grotto called 'Scenes from the Holy Land.' They comment that it's like being there in miniature," he said.

"I'm amazed at how the gardens seem to be protected by God," Br. Marion said. "Recently, a damaging hail storm ripped through the Cullman community. Though we had damage on St. Bernard's main campus, the Grotto itself was spared with only minimal damage being done in the four-acre park."

Br. Marion concluded by saying, "Everything is budding and hopefully in the next few weeks all the flowers and trees will be in full bloom just in time for the Bloomin' Festival Arts and Crafts Fair scheduled for April 21-22, 2018. We are expecting thousands of visitors that weekend. Flower beds are being prepared for those days and the Gift Shop had a whole new line of merchandise."

The grotto gift shop offers a full line of bibles, books, rosaries, crucifixes, medals and first communion items. In addition, fresh made Monks Bread, jams, jellies and Benedictine coffee, are also available.

Sponsorships are very important to the Bloomin' Festival as it helps with promotional expenses. The school is thankful to have such wonderful support from the following businesses and encourage the community to support them

as well: Cullman Chrysler Dodge, O.F. Richter & Sons, Leaffilter, Pepsi, Billy Ray Taylor Auto Sales, Hendon & Huckestein Architects, Jet Pep, Merchants Bank, Walmart Distribution, Cullman Jefferson Gas, Cook's Pest Control, and Regions Bank.

"Volunteers make Bloomin' Festival happen," said Joyce Nix. "Everyone working at the event is a volunteer. We pull together as a school community to make Bloomin' Festival a success for our school, and are very blessed to have a campus that can accommodate the number of visitors who come to Cullman. We have an outstanding show this year and look forward to welcoming everyone who comes."

Festival hours are 9 a.m. to 5 p.m. both days, Saturday and Sunday.

On Friday March 9th and Sunday March 11th St. Bernard held its semiannual open house for the spring semester. Prospective students and their families were invited to come visit the campus and receive a tour given by some of the student ambassadors.

Each tour group upon returning remarked on the beauty of the campus and they all mentioned how impressive the students that they encountered were.

St. Bernard offers tours as well as shadows days for the prospective student throughout the year. If you or someone you know would like to visit campus and receive a tour, or to schedule a shadow day please contact Mr. Brendan Flannery in the office of admissions; admissionssbp@gmail.com, bflannery@stbernardprep.com or call 256-255-5890.

Booster Club Drawdown Held at St. Bernard

St. Bernard was the talk of the town February 3 as 425 friends and supporters of the school gathered in the Fazi- Richard Athletic Center for the annual Booster Club Drawdown Dinner.

Booster President, Josh Whaley said this was the largest dinner the club has hosted.

The appetizers and meal were prepared by Cullman Chef, Judy Pitts owner, of Designs by Grace. Pitts served up delicious bacon wrapped sausage appetizers, with her own specialty spinach dip, and cheeseballs with all the trimmings. A fresh garden salad along with tender pork tenderloin, stuffed chicken breast, squash casserole, green beans, mashed potatoes, rolls and dessert completed the dinner.

The evening was hosted by John Arndt who served as the emcee for the event along with his father, John Arndt, Sr. A wonderful silent auction lined the west side of the center with great gifts donated by area merchants and artisans.

Parents stood near the stage selling keys to open locks on baskets containing spirits, cash and a Louis Vitton purse. A drawing for an extra hold out ticket was also in the mix of

About 1.6 million juniors in more than 22,000 high schools entered the 2018 National Merit Scholarship Program by taking the 2016 Preliminary SAT/National Merit Scholarship Qualifying Test

(PSAT/NMSQT), which served as an initial screen of program entrants. The nationwide pool of Semifinalists, representing less than one percent of U.S. high school seniors, includes the highest scoring entrants in each state. The number of Semifinalists in a state is proportional to the state's percentage of the national total of graduating seniors.

A Semifinalist must have an outstanding academic record throughout high school, be endorsed and recommended by a high school official, write an essay, and earn SAT scores that confirm the student's earlier performance on the qualifying test.

From the approximately 16,000 Semifinalists, about 15,000 advanced to the Finalist level, and in February were notified of this designation. All National Merit Scholarship winners will be selected from this group of Finalists.

Record Sized Hail

Tax Deduction Changes

Brutal storms containing hail the size of softballs and larger rolled across sections of Cullman County during the last days of March. The hail crashed through the roofs of many residents and forced the closing of major shopping centers and restaurants. Car dealerships on the south side of the city of Cullman lost the majority of their inventory because of the fierce storms.

While it wasn't the worst storm Cullman has witnessed since the 2011 tornadoes, it was just as devastating to local residence who were forced from their homes to relocate to hotels and with family members until help could arrive.

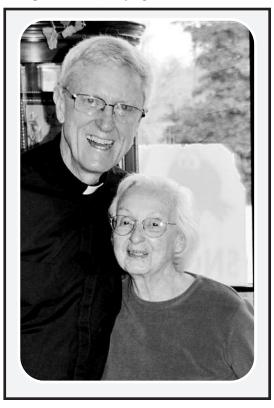

"Most of the hail stones we experienced at St. Bernard were about the size of golf balls with some being larger," said Fr. Marcus Voss, Development Director. "A good number of windows in the Administration Building were broken as well as windows in Benedict Hall. Even the Abbey Church has window damage. All the vehicles that were parked outside have damage ranging from broken windshields to dents and dings in the metal work."

"The most significant damage seems to be on the roofs of our buildings," he continued. "We are in process of evaluating how extensive it is, but it looks like several roofs will have to be replaced."

"We are especially fortunate that no one was injured," he concluded. "We are also fortunate that Ave Maria Grotto sustained only minor damage. That was a blessing in itself."

Br. Bernard Assists Pope Francis at Vespers, Mass

By Br. Bernard Denson, OSB Rome, Italy For the last three years of studying in Rome, people back home would frequently ask me, "So, have you met the pope?" My answer was always, "No, but I have been very close to him on several occasions." While that was true—I had been within ten feet of Pope Francis a handful of times—I still remained hopeful that before I finished my studies here, I'd have the opportunity to greet him personally. But now, all of that has changed, as I've exchanged handshakes and a few words with the holy father twice in the course of three weeks (with another scheduled encounter coming in April).

I was invited by the abbot of St. Paul Outside the Walls (one of the four major papal basilicas and the burial place of the apostle St. Paul) to assist Pope Francis as one of four deacons when the pope came there to preside at Vespers on January 25, the Feast of the Conversion of St. Paul. The annual occasion marked the conclusion of the Week of Prayer for Christian Unity, and the pope was joined by the personal delegates of the archbishop of Canterbury and the ecumenical patriarch of Constantinople, representing the various Protestant traditions and the Orthodox churches, respectively.

Then, less than three weeks later, as

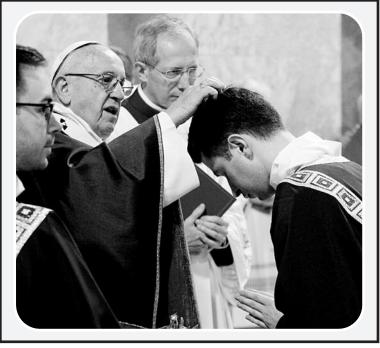

the senior deacon at the international Benedictine college of Sant'Anselmo, the privilege fell to me to assist Pope Francis once again as he began Lentthe season of spiritual preparation for Easter—with the traditional procession from our Benedictine church of Sant'Anselmo to the Dominican church of Santa Sabina (both on the Aventine Hill) where he celebrated Mass of Ash Wednesday.

So, perhaps now the question I will be asked is, "So, what's it like to meet the pope?" Based on both experiences, I have to say that what struck me the most is how surprisingly "real" he is. We grow so accustomed to seeing images of Pope Francis on the Internet, in newspapers and magazines, in our

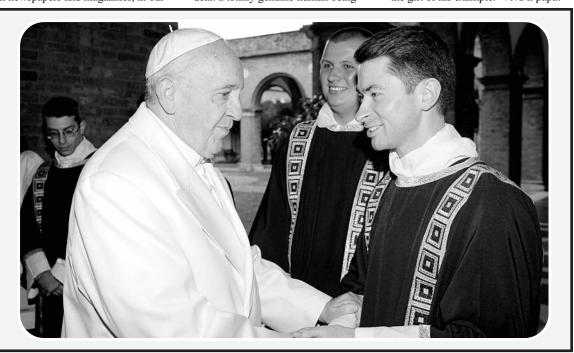

churches, that getting an "up-close look" is not really all that special. What is special is his presence, which is notable for its ordinariness, its sincerity, its authentic engagement with the other. With all the days of preparation, hours of rehearsal, armies of security personnel, and precise orchestration and protocol, I was quite unprepared to find the "Bishop of Rome, Vicar of Jesus Christ, Successor of the Prince of the Apostles, Supreme Pontiff of the Universal Church, Primate of Italy, Archbishop and Metropolitan of the Roman Province, Sovereign of the Vatican City State, Servant of the servants of God" (as his official list of titles goes) to be the real deal: a totally genuine human being

and a simple, humble priest. Looking right into my eyes, he greeted with a smile, once with a handshake and the other time with an embrace, and we spoke to each other briefly but warmly in Italian.

Looking back, I can only say it was a great honor to assist at the liturgy with Pope Francis—yes, because of what the office of the papacy means for the Church and the world, but also because of the particular man that God has placed in that office today, a true pastor of souls who presents the unqualified love of Jesus Christ to each and every human person. As my ordination to the priesthood approaches, I can only be thankful for the gift of his example. Viva il papa!

St. Bernard Students Travel Abroad

Over Spring Break, 9 students and 7 adults spent 9 days touring Ireland, Wales, and England. The group toured several castles in Ireland and Wales including Blarney Castle (kissing the Blarney Stone), Ross Castle, and Beaumaris Castle. In Ireland, the group enjoyed an excursion to the Ring of Kerry, visited St. Patrick's Cathedral and Trinity College (where they saw the Book of Kells), observed a sheepdog demonstration, had students participate in traditional Irish dancing, and were able to attend Easter Mass at St. Mary's Cathedral. The group traveled by ferry across the Irish Sea to Wales and on to

London via Stratford-upon-Avon. While in London the group shopped at Harrod's, observed the marching of the guards at Buckingham Palace, and took a walking tour through London seeing Big Ben, Piccadilly Circus, the London Eye, Westminster Abbey, and the Houses of Parliament (only to mention a few). Several of the group also took a tour to Hampton Court. The trip was a perfect opportunity to allow everyone to experience the history, culture, and cuisine (Shepherd's Pie, Irish Stew, Fish and Chips) of Ireland, Wales, and England.

Spring Break Cruise to Mexico

By Rock Turner, Residency Life Director

Normally during Spring Break, the few kids that remain in the dorms go with Fr. Joel on a small trip for a couple of days; however this year Spring Break fell during Holy Week, so Mr. Turner, Residency Life Director offered to take the kids on a trip. Originally they wanted to go to New Orleans but as we were checking on hotels and such we found a great deal on a cruise.

The kids enthusiastically wanted this option and when Fr. Joel approved the trip plans were quickly completed through an excellent travel agent who helped in every aspect of the preparation and reservations. So Mr. Turner and Bro. Pachomius took off with 6 kids early Saturday morning on March 24th to Mobile, Alabama to board the Carnival Fantasy for a 5 night cruise to Mexico. After we boarded we ate and then attended the mandatory Muster Drill, safety drill for all passengers and then promptly at 4pm we were off and sailing away. We enjoyed our first of five fabulous dinners in the Jubilee Dining Hall. We encouraged the kids to try new and exciting foods, things they have never tried before, because if you do not like it, they will bring you another choice. Throughout the trip kids tried new things like calamari, escargots, Braised rabbit, frog legs, blue crab ravioli, asparagus crème soup, tiger shrimp creole, mango bisque, crème brûlée and much more. The second day of the trip was a sea day and we once again had dinner in the dining hall but it was formal night, so we got all dressed up for the night. On the third day we docked in Progresso, Mexico where we took a guided tour bus through the jungle to the ancient Mayan ruins, including the famous Chichen Itza pyramid, one of the new Wonders of the Modern World. The visit was very informative and educational. The kids thoroughly enjoyed it and were amazed with the history and culture. The next day we went to Cozumel, Mexico and spent the day at Paradise Beach and shopping at Costa Maya Port. The crystal blue waters on the white sandy beaches were absolutely breathtaking. The kids spent their day playing in the ocean, swimming in the luxurious pool and dining on some of the finest authentic Mexican cuisine. Bro. Pachomius took some quality time relaxing on the beach as well!

We spent the next day at sea and then headed back to Mobile. Before we departed for home we toured the Cathedral Basilica of the Immaculate Conception in Mobile. "I enjoyed the temples in Progresso and the beaches in Cozumel, it was paradise!" says Alex Shoaff. "As a senior, I really

Rock Turner, Alex Shoaff, Jay Kim, Leo Hsieh, David Kim, Jongha Park, Helen Kim, and Bro. Pachomius.

appreciate Fr. Joel and Mr. Turner giving me a special chance to go on a cruise trip. This is probably my one and only time to enjoy the sunshine and culture in Mexico. We visited one of the seven wonders of the world, Chichen Itza, in Progreso. It was a completely fresh experience for me. No matter the history or the size of it, it amazed me." stated Leo Hsieh. Leo continues "everyone enjoyed the sunshine, ocean, and music and last but not least, the FOODS are absolutely fantastic. There have lots of delicious Mexican dishes like Tacos al pastor, Chilaquiles, Chiles en nogada but my favorite food is tiger shrimp creole. It is just so wonderful with rice and the special sauce they provide." Jongha Park adds "this was my first time on a cruise ship. the ocean was really blue and beautiful." While on the cruise, the kids enjoyed live musicians and bands, Broadway style shows, comedians, music and dance parties, waterslides and pools, room service and 24 hour ice cream! They had a wonderful time and would love to do it again next year for spring break perhaps! Each day we began with a quick prayer and a meeting and we closed each night with our meal and night prayer, what a lovely Spring Break experience for all!

SBP Fall and Winter Athletes

St. Bernard Athletic Booster Club President Josh Whaley welcomed St. Bernard Prep athletes, friends and family to the Fall and Winter Athletic Awards Ceremony held in the Abbey Byre on March 7, 2018. After the opening prayer by Headmaster, Fr. Linus Klucsarits, OSB, the Athletic Director, William Calvert, thanked the coaches, parents, and athletes for their continued support of the athletic program at St. Bernard.

"It is a blessing to work with our coaches," said Coach Calvert. "They are knowledgeable, very professional and caring in dealing with their athletes. They have a passion for their sport and a heart for the kids. Our parents and boosters make our jobs easier by

providing the necessary help and

resources needed to run our program."

It was noted throughout the evening that many of the athletes being honored not only excel in athletic competition, but also in the rigorous and challenging academic program at St. Bernard.

Each coach presented medals to participants of their teams and honored those who made outstanding contributions.

The swim team, under the direction of Al Woods, was honored by Coach William Calvert. Those members included: Dax Olszowka Francisco

Tona, Justin Anders and Crystal Choi. In girls' cross country, the season finished strong with a 5th place state finish, and Sectional Champ or Runner-

up for the 6th year in a row. Seniors Leahrose Mami, Anna Faulk, Eva Barck were recognized for their years of service to the program. Leahrose Mami, the 1A-2A State Champion, was awarded the Most Valuable Player Award while Eva Barck took home the Most Outstanding Runner Award. Mami finished up an amazing career making All-State four straight years. She will continue her running career next Fall at the University of Alabama.

Boys' Cross Country celebrated being Sectional Champions for the fifth straight year and ended the year by taking 4th Place at the 1A – 2A State Meet at the Oakville Indian Mounds in Lawrence County. Senior Awards were presented to Josh Chiodo and Andrew Sweeney. The Most Outstanding Young Runner Award was presented to Joseph Arrriaga. The Most Outstanding Performance Award went to All-State runner Caleb Guthery, and the Most Valuable Performer Award was presented to the 1A-2A State champion, Andrew Sweeney. Sweeney set a new 1A-2A record as well as setting a new SBP school record with a time of 16:02 for the 5K.

Calvert added, "When Andrew ran his first record to Olympion as a first house."

his first race at Oakman as a freshman, he finished in 148th place. Four years later he is the 1A-2A State Champion and state record holder. Sweeney will continue his running career next Fall at the University of Alabama in Huntsville.

Alumni Reunion Set for June 21-24, 2018

St. Bernard Abbey and School will host the Alumni Reunion on June 21-24, 2018. This annual event is an open invitation for all alumni to return to their alma mater and enjoy time on campus for the weekend. A special invitation goes out to all classes to attend but especially the

anniversary classes.

This year the High School Class of 1958 will be celebrating their 60th anniversary, the College Class of 1968 will be celebrating their 50th anniversary and the Prep School Class of 1993 will be celebrating their 25th anniversary. Bob "Stewart" Keighery (HS'58), Phil Cabri (HS'58), Kevin Kelly (C'68), and John Wojick (C'68) are serving as coordinators in their respective classes.

"So much of our campus has changed over the years, yet so much has remained the same," Fr. Marcus said. "We have had over 125 years doing the work of education in this place. In recent years, this gathering of our students has included alumni who graduated in the 1930s as well as alumni who graduated just this past year plus every year in between. Hearing them talk to one another makes me realize had strong is the tradition that unites the men and women who received their education in this special place.'

The event will kick off on Thursday evening, June 21 with a golf reception, followed by an early morning tee-time at Chesley Oaks Golf Course on Friday, June 22 at 9 a.m. Registration on Friday will begin on campus at 9:00 am and will continue throughout the day. At 5:30 p.m. alumni will join the monks for dinner in the Byre located at the Abbey Farm.

After Saturday breakfast, the campus will be open for tours in the morning. Later that morning, a town hall meeting is scheduled at 11:00 a.m. in the Switcher Classroom Building to talk about the events of the past year and plans for the future. Lunch will be service in the St. Bernard Dining Hall.

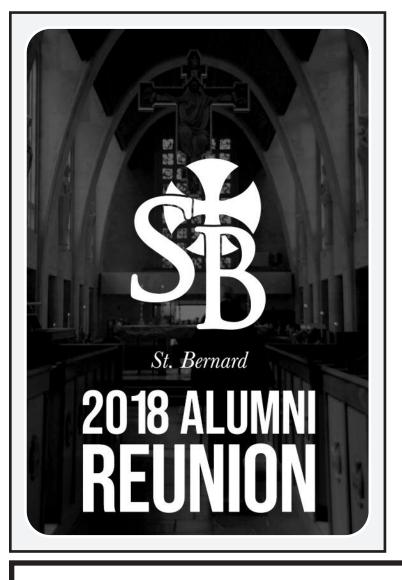

At 2 p.m. everyone is welcomed to participate in an Irish Wake in the Abbey Byre

honoring St. Bernard's beloved Br. Augustine Campion. At 5:30 an alumni Vigil Mass will be held in the Abbey Church followed by the Alumni Dinner in the Fazi Richard Athletic Center at 6:15 p.m.

The weekend wraps up on Sunday morning with breakfast at 8 a.m. Alumni are welcomed to join the monastic community for Mass, which will be celebrated at 10:30 a.m. in the Abbey Church.

Fr. Marcus encourages everyone to pre-register in an effort to make preparations. "Help us prepare for the weekend by registering early," said Fr. Marcus. "This will help us prepare and accomplish all the many details needed for this event. It will be great to have everyone back for the weekend."

Registration information will be mailed in late April or registrations may be made online at www.stbernardprep.com.
